

Please act to keep  
broadcasting fair  
and dignified.  
Block Sinclair  
Broadcastings  
attempts to  
illegally influence  
the presidential  
campaign by giving  
free anti-Kerry air  
time to it's T. V.  
affiliatees.  
Please. Our country  
has become so harsh  
and angry, we need  
everyone to do  
everything they can  
to tone down the  
hostility and  
restore reasonable,  
respectful debate on  
important issues.  
Thank you,  
Peg Quinn
